Top 3 Ways Credit Card Processors Deceive Businesses in Today's Economy According to Merchant Rights Advocate Robert Livingstone of IdealCost.com

[view quote in context >](#)

“

Congress is completely unaware that the lack of ethical regulation and licensing in the credit card processing industry is far more destructive to American businesses than a cap on some interchange fees

Top 3 Ways Credit Card Processors Deceive Businesses in Today's Economy According to Merchant Rights Advocate Robert Livingstone of IdealCost.com

“

What exactly will sharing this list accomplish? I can guarantee that virtually every business in the country has experienced at least one of these problems at least once. Unfortunately, many owners are so upset about being lied to that publicizing these scenarios is embarrassing. Therefore, it is my obl...

“

Since the Government is not providing adequate protection for our business community, I have to raise these questions on behalf of all merchants.
