Top 3 Ways Credit Card Processors Deceive Businesses in Today's Economy According to Merchant Rights Advocate Robert Livingstone of IdealCost.com

View quote in context »

“ What exactly will sharing this list accomplish? I can guarantee that virtually every business in the country has experienced at least one of these problems at least once. Unfortunately, many owners are so upset about being lied to that publicizing these scenarios is embarrassing. Therefore, it is my obligation to bring these issues to Congress' attention on behalf of companies across America.
