Content Insider # 157 -- Portable World

Sure the next couple of months are going to be hectic what with the holidays, Storage Visions, CES, the holidays. It's no wonder that the gift everyone expects to get in their stocking is portable. We just don't seem to have enough of being in touch with all of the bad news and folks we don't want to see. Already we see

folks with a couple of smartphones, [notebook](#), tablet, more tucked in their backpacks. The demand for devices and content just keeps growing. [READ MORE](#)

Content Insider - Webmasters

You probably didn't realize it but the [Web](#) was just built for marketing communications/ PR folks to use to push stuff at you...messages, etc. One of the many problems with this is that they (we) aren't the sharpest pencils in the [technology](#) box. So they get hit, ripped off, corrupted...a lot. [READ MORE](#)
